

# BUILDING HYDROGEN INFRASTRUCTURE SYMPOSIUM 2022 AGENDA

Time	Item	Presenter(s)
08:30	<b>Arrival and Registration</b>	
<b><u>Welcome to Building Hydrogen Infrastructure</u></b>		
09:00	Welcome and introduction	Steve Davies, CEO APGA
09:30	Economics of the Renewable Gas Transition	Jordan McCollum, National Policy Manager APGA
09:50	Hydrogen on the International Stage	David Norman, CEO Future Fuels CRC
10:10	Panel Session	Facilitator: Donna McDowall, APGA President
10:30	<b>Morning Tea</b>	
<b><u>Building New Hydrogen Infrastructure</u></b> Session Facilitator: Phil O'Neil, Hydrogen Transformation Partner, Advisian		
11:00	Comparing New Hydrogen & Natural Gas Infrastructure	Marzieh Amanabadi, Senior Process Engineer, Josh Wickham, Lead Mechanical Engineer, GPA Engineering
11:20	New Hydrogen Facilities	Scott Sharbanee, Technical Manager Energy Systems, Ensco
11:40	The Relative Advantages of New and Repurposed Hydrogen Infrastructure	Craig Clarke, Senior Technical Director Pipelines & Gas Infrastructure, GHD Group
12:00	Panel Session	Session Facilitator and Presenters
12:30	<b>Lunch</b>	
<b><u>Equipment Enabling Hydrogen Infrastructure</u></b> Session Facilitator: Mark Dayman, Executive Chairman, FYFE		
13:30	100% Hydrogen Turbines and Compressors	Serena Gabriele, Hydrogen Business Development Manager, Baker Hughes
13:50	Hydrogen Smaller Componentry	Peter Andrews, East Coast General Manager, Pipeline Actuation Control
14:10	Hydrogen Ready Line Pipe	Cameron Dinnis, Engineering Manager, LFF Australia
14:30	Panel Session	Session Facilitator and Presenters
15:00	<b>Mid Forum Break</b>	
<b><u>Repurposing Gas Infrastructure for Hydrogen</u></b> Session Facilitator: Jordan McCollum, National Policy Manager, Australian Pipelines and Gas Association		
15:30	Repurposing the Parmelia Pipeline & Implications for the Victorian Transmission System	Klaas van Alphen, Manager Hydrogen, APA Group
15:50	Gas Infrastructure Transition to Renewable Gas	Shahab Mian, Asset Management Stream Lead, Jemena
16:10	Repurposing Victorian Distribution Infrastructure	Robert Davis, Senior Engineer, AGIG Margaret Gayen, Mechanical Engineer, GPA Engineering
16:30	Panel Session	Session Facilitator and Presenters
17:00	<b>Networking Drinks</b>
